COMMISSAR BREWSKI'S WORLD

Howdy, Comrades!

March is here and that means two things here in this part of the state; the KGB Porters/Stouts meeting and Rodeo! Put your hats, boots, spurs and jeans on and mosey on over to the March meeting. It will be March 11th at the Schultz Party Barn. Address is on the website and our various social media outlets. Meeting time is 6:00 pm.

It's also the night of the highly-anticipated KGB Chili Cook-Off! There are two categories for the contest: The People's Choice for Chili will be judged by KGB members and the Best Cornbread/Side dish will be judged by a distinguished panel assigned by the Czar. There will be 1st and 2nd place awards for each category. Remember, your chili recipe **MUST** contain beer. Why else would we do it? What kind of beer, you ask? It really doesn't matter. Maybe your tasty Red Ale or that gluten free blueberry wheat you thought would be tasty. Well, maybe not, but you get the picture. Your Generals Secretary trio of Jeff, Sam and Craig will supply the fixings to make Frito Pies. As of right now, I am still working on the KOM, but I assure you it will be something great. I have also been travelling the globe searching for delicious Stouts and Porters for your enjoyment. Where else in the civilized world can you get all of that for the low price of just 10 bucks?

I'd like to thank Katie and Craig for hosting the February meeting at the Broken Spur Saloon. It was unseasonably warm but everyone had a good time. Thank you to our great friends at Saint Arnold's for once again donating a slim keg of their great Barleywine for us to enjoy. This beer has really aged well and we appreciate their support of our club. Thanks also to John Dawson for his Homebrewed Keg of the Month. Along with the other kegs and various homebrews it was enough to satisfy even the pickiest palate. The pulled pork sliders and sides were a great hit and everyone was able to eat plenty and get some really good beers. Thanks to Chris Landis for bringing some of his 2009 (I think) Barleywine. This was absolutely fantastic and shows how the style can age so well. We also had tastings of Sierra Nevada's Bigfoot from years 2000, 2010 and 2016. Some liked it fresh while others enjoyed the various stages of aging.

I hope you're working on your entries for the 2017 BBBB in May. Belgian IPA is a new category for us and I look forward to hearing your thoughts on this style and tasting your beers at the next couple of meetings. Remember, the KGB has taken first place the past few years and we hope to do so again. There are many great homebrewers that enter this contest and we don't take anything for granted. Also, the Heavy Hitters award goes to the homebrew club with the highest number of entries making it to the second round. Make some good beer and enter so we can continue to enjoy great beers at our monthly meetings.

See you at the party barn for the March meeting!
